#### **The Lord's Supper**

*We celebrate the Lord's Supper each Lord's Day according to the example of the early church. The communion service is for all believers who wish to remember Christ's sacrifice of his body and blood by the symbols of bread and wine. Our practice is to take individually of the loaf and cup as the trays are passed, placing the empty cup back in the tray. For those who are gluten intolerant, there is gluten-free bread in the center of the juice trays.*

#### **Offering**

*We give out of gratitude for God's blessings to us. Our offerings support the mission of the church locally and in other parts of the world.*

## ANNOUNCEMENTS

**Thanks for everyone who helped out with Vacation Bible School!** Over the first three nights, we averaged 40 children and 40 volunteers. A big thanks to Amy McGinnis, and team, for organizing it all.

**We have three focus groups** meeting this coming week to have a conversation and get your ideas about the idea of a name change for the church. In order to provide input to the church board, please pick whichever meeting suits you best: Thursday, June 21 at 10 AM or 7 PM; Sunday, June 24, following the service.

**Anyone in need of firewood?** See Isaac! First chance to those who helped with this spring's service project of wood removal.

**Diamond Willow Ministries in Fort Thompson SD** is looking for 3 – 4 people for kitchen help the week of July 15-20 for a youth camp. They would like them to arrive on Sunday morning if possible. The first meal is served Sunday evening, and the last meal is served Friday at noon. So, if they could stay and help clean up the kitchen on Friday afternoon that would be great! If someone is available only part of the week, Wednesday through Saturday would be great as those are the busier days. For more information, contact Greg Schuweiler, or Gail Griner directly ([gail.griner@midstatesd.net](mailto:gail.griner@midstatesd.net) or 605-245-2685).

**If you have recent pictures** of construction or activities of the church, please send them to Kim Pease for the website.
